JUDGMENT

Entered: June 9, 2014

After a careful review of the record, we find no abuse of discretion in the bankruptcy court's decision to deny a request under Fed. R. Bankr. P. 4004(c)(2) to delay the entry of the discharge for the 27th time and no error in the entry of the discharge order. Debtor's motion for leave to file a corrected or substituted brief and request for oral argument is denied. Affirmed.
